

Team Manager,

**Welcome to the Alberta Provincial Championships!**

We at **Jarrett Ford Photography** are looking forward to photographing your games!

If your photos are something you are interested in, we have a HUGE pre-sale going on!

If you pre-book game photography for your team, you get a big discount per player!

Check out our website to see what we offer! [CLICK HERE](#)

We will also be there to photograph individual players on a first come first serve basis. The cost for that will be \$50 per game per player.

If your team pre-pays it's a savings of at least \$20 per player!
